

**LUSAKA WOOD WORKING AND FURNITURE COMPANY LTD**

# **COMPANY PROFILE**

## 1. About the Company

Lusaka Wood Working and Furniture Company Ltd. is a premier woodworking and furniture manufacturing company based in Lusaka, Zambia. Established in 2022, we specialize in bespoke hardwood furniture, high-end interior joinery, and custom cabinetry for residential and commercial clients across Lusaka and its surrounding environs. Combining traditional craftsmanship with modern precision machinery, we turn raw, sustainably sourced timber into masterpieces.

## 2. Company Information

Company Name: Lusaka Wood Working and Furniture Company Limited.

Incorporation Date: 14th March 2022

Location: Libala, Lusaka, Zambia

Sector: Woodworking, Furniture Manufacturing, Interior Joinery

Key Materials: Mukwa, Rosewood, Olivewood, Mahogany, and imported MDF/boards.

Employees: 40+ skilled artisans and designers.

### 3. Our Story

Founded on a passion for quality woodwork, Lusaka Wood Working and Furniture Company Limited started as a small workshop in Libala Area of Lusaka. Recognizing the demand for high-quality, durable furniture that suits the Zambian middle class market, the company quickly grew. Today, we are recognized for our meticulous attention to detail, leveraging both local craftsmanship and advanced, state-of-the-art machinery to create seamless finishes.

### 4. Mission & Vision

Mission: To deliver exceptional woodwork products that blend aesthetic beauty with durability, offering unparalleled value to our clients through quality craftsmanship.

Vision: To be the leading provider of, and trendsetter in, sustainable, bespoke furniture and interior solutions in Lusaka and all parts of Zambia.

## 5. Products & Services

We provide a wide range of services tailored to both individual and corporate clients:

**Custom Furniture:** Bespoke tables, chairs, beds, and office furniture.

**Fitted Kitchens & Wardrobes:** State-of-the-art design, fabrication, and installation of modern kitchen cabinets.

**Interior Fit-outs:** Customized interior joinery for offices, hotels, and retail spaces.

**Door & Window Manufacturing:** High-quality hardwood doors and frames.

**Contractual Supply:** Supplying high-quality wood products to construction projects.

## 6. Our Process & Quality Control

**Material Selection:** We source premium materials, including sustainable hardwood and high-quality, certified imported panels.

**Precision Technology:** Our workshop is equipped with advanced machinery, ensuring high precision in cutting, boring, and edging.

**Finishing:** Specialized spray painting and polishing for a durable finish.
